

Article Submissions on the SCT-19 International Conference results (Requirements)

A collection of articles based on the talks presented at the SCT-19 International Conference will be published as a separate volume(s) of the journal “**Theoretical and Mathematical Physics**” (TMPH), abstracted in **Scopus** and **Web of Science Core Collection**. The journal will consider for publication original research papers from people invited to the Workshop. All manuscripts will be subject to refereeing and editing as regular journal papers according to the rules of TMPH.

In preparing your work for publication please note that:

1. The deadline for manuscript submission is **now extended until August 30, 2019**.
2. The size of each contribution should be around **10 journal pages** (in standard LaTeX), with a **maximum of 15 pages**.
3. Contributions may be written in **English** or **Russian**. All manuscripts accepted for publication will be translated either from Russian to English or from English to Russian for publishing in both the Russian and English editions of the journal.
4. Any (La)TeX dialects are accepted.
5. Please, make a special paragraph: Conflict of Interest: “The authors declare that they have no conflicts of interest”. More details on this topic you can find on the Springer site [here](#).

In order to submit an article, please, use the journal web page:

- <http://www.mathnet.ru/eng/tmf> (English version)
- <http://www.mathnet.ru/tmf> (Russian version)

Please, mention that your **article is submitted for the SCT-19** International Conference proceedings.

In case of any problems, please, contact TMPH's Managing Editor Mrs. Svetlana Sushko at tmph@mi.ras.ru.
