IMPORTANT!!!: For non-Russian citizens **visa is needed**. Please, send us by **May 1, 2019** at zakharov80conference@gmail.com the exact dates of your visit to Russia, a scan of the first page of your passport and the place (organisation, city, country) you are going to be applying for visa. We need this information in order to prepare a formal invitation for you.

Research papers on the conference results are planned to be **published** at the Journal “**Theoretical & Mathematical Physics**”, published by *Springer* in collaboration with the *Steklov Mathematical Institute* of the *Russian Academy of Sciences*. This journal is abstracted in *Scopus* and *Web of Science core collection*. The papers should be of 10 pages average, maximum 15 pages, and should be written in standard LaTeX, in good English (please, get help if you are not native speaker). The submission **deadline** is **August 5, 2019**.

Finally, a **2-days pre-conference symposium** is planned in the beginning of August. The aim of the event is to prepare postgraduates students & early carrier researchers and get them familiar with materials related to the conference topics. More information will be given in the next information letter.

For any enquiries, please contact the organisers at zakharov80conference@gmail.com.

With best regards,
The Organising Committee.

THE NEXT ANNOUNCEMENT WITH MORE INFORMATION ABOUT THE
CONFERENCE WILL BE SENT IN THE END OF APRIL.
